

Others brought you 20mb, Vaioni brings you 40mb* and more!!!

**Vaioni a leading business class
and independent ISP and
managed security provider now
brings Databahn to customers
offering ultra fast broadband
speeds starting from 40Mb*!!!**

Vaioni's Databahn solution takes broadband to a whole new level with astonishing speeds of 40mb+* download and 4mb+* upload. The new Databahn service is unique and new to the UK's business community and offers cutting edge ADSL technology at a low cost.

Databahn is built on the leading Enterprise Connect solution by Vaioni and takes bonded DSL to another level never seen before by bonding 2 or more 20mb ADSL lines.

Enterprise Connect bonds multiple ethernet based connections to provide a highly resilient and ultra fast internet connection. It can be used for a number of applications; most popular is for single point VPN, multi point VPN, Email, web hosting, Thin Client, FTP and general faster internet.

Features of Enterprise Connect:

- ✓ Highly resilient platform.

- ✓ Appliance based service.
- ✓ 4hrs response and NBD hardware replacement SLA.
- ✓ Fully managed service.
- ✓ Flexible upgrade path. Add lines when you want.
- ✓ Business Class DSL Service with no restrictions.
